GARDEN COMMITTEE REPORT

We cut down diseased Palms that would have spread to other trees. Watered and transplanted plants to help keep them alive. Sprayed weed killer. We also did basic clean up stuff that people leave lying around.

Home Remedies

mix 2 1/2 tbls cooking oil
2 1/2 tbls baby shampoo
mix well in 1 gallon of water. Shake well before and during application. Do not spray in heat of the day, thoroughly spray foliage till the leaves drip top and bottom. Spray every 5 to 7 days till all is clear. Thanks to all the residents that helped us water during this dry season.

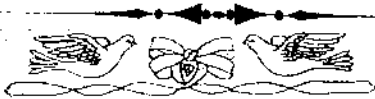

NOTICE: Garden committee needs 1 hour of your time on Monday mornings to help the community stay as beautiful as it is.

Lost Lakes COOKBOOKS

The 2006 Activities Committee cookbooks are here. They will be at the Lodge for every breakfast or Pot Luck. They are \$10 a piece and that's a bargain for an excess of 450 recipes. Those of you who contributed recipes will want to get a copy of the first printing. Get 'em while they're hot. Call Joan d'Arcy 636-8913 or drop by 337 Meridian Run Drive and get as many copies as you can carry. Great gifts for your family or as a hostess gift. Sending home copies? Bubble wrap envelope is best. Ships for \$2.07. Send one to all of your friends and relatives.

GOGETTERS

This is a group of your friends and neighbors who have volunteered to be there when you need them. Some of us have given up driving. But we still have appointments we need to go to, Doctors, Dentists, Optometrist, X-rays, tests and such. We need rides to these various places. Call a Coordinator from the list and she will hook you up with someone from the park who has agreed to drive to appointments and wait until they are finished. We will all need this service at some time in the future. You only need to make one phone call. We will find a driver for you and have them call you for the correct times and locations. We need volunteers for both aspects of this program: The Coordinators and the drivers. Please call Joan d'Arcy 636-8913 to get on the list. It does not take a great deal of time and is greatly appreciated by those who are in need....

CRAFTER'S CORNER

The Crafter's are still busy making things to sell at the Christmas in July sale.

The Card Making Class that was planned for June has been postponed until July due to the work being done on the clubhouse roof. The sign-up sheet has been removed from the bulletin board but we will put it up again later in June for those who didn't get a chance to sign-up. Watch the July Newsletter for the exact date and time.

We welcome anyone that would be interested in joining us for a couple of hours on Wednesday afternoons, starting at 1 PM.

MEXICAN FIESTA NITE

Live entertainment by Kenny Deno

So bring your sombrero and serape and join us for a fun filled evening of food, fun and festive music. Food will provided from A to Z (Appetizers to Zesty Dessert).

THANK YOU

We would like to thank all of our friends and neighbors for their many kind thoughts, prayers and condolences during our recent bereavement. WEDNESDAY BREAKFAST RECRUITING

Looking for new volunteers to help 3 or 4 times a year in preparing breakfast for the community. It's lots of fun and a good way to meet your neighbors. Your task would be whatever you are comfortable doing and we will have a team leader to show you what needs to be done. If interested in giving it a try, call Penny 633-7452

NOTICE ALL RESIDENTS

Please remember that your guests are your responsibility. If they are at the pool they must honor our pool rules. If asked who they are visiting we would expect them to answer. If they are unwilling to answer it may result in a home owner calling the police as they would be trespassing, if they are not visiting one of our residents. We do not want to continually police our community, but if we have visitors that do not belong here, we must stop them from using our facilities. Please be kind to your neighbors as we all share a piece of the recreational property. Any damage done is being paid for by every one of us. If you wish to keep your fees low, you must treat the property as you would treat your own. It is your responsibility to convey this to your children and grandchildren and any other guests.

We glided through the month of May with a message from John 20-24&25. Celebrated Mothers Day and concluded with Memorial Day. Wonderful moments for all who have learned to accept our Lords gifts. The month of June gives us Pentecost. The day on which the gift of the Holy Spirit was given to the church. (Acts2:1) For in one Spirit we were all baptized into one body, whether Jews or Greeks, slaves or free persons, and we were all given to drink of one Spirit. (Corinth. 12:3b-7,12-13.) I underlined the above because of the wonderful inspiration I felt when writing it. There are times in our lives when we have a tendency to forget this, or take it for granted. Please pray for those in need, and call or e-mail me when someone is ill. It would make my job a lot easier. I am here when needed: 631-6315—shepherd6575@bellsouth.net

ATTENTION ALL RESIDENTS
